

## DISCUSSION GUIDE #9: WEEK 9

### START

- Share your SOAP Journal Entry from this last week.

### PRAYER: PART 1

- To prepare yourself for an extended time of prayer, read Luke 11:1-11. How does it affect you to know that Jesus' disciples asked him to teach them to pray? Have you ever considered that prayer is something we learn how to do?
- What are some of the principles of prayer that you take from the rest of these verses? What do you learn about prayer from these verses?
- Remember that prayer is a conversation with God and the people in your group. God is present with your group and you are addressing him with your thoughts as well as your conversations with each other.

### PRAYER: PART 2

- Turn your focus now to praying for each person in the group.
- Consider putting a chair in the middle of the circle and having each person sit in the chair while the group prays for them.
- Ask the person in the middle to share their current needs for which they would like prayer.
- When the person has shared their needs, have several members of the group pray for them. Not everyone has to pray out loud if they are not comfortable doing that. You can have the group members lay their hands on the person in the middle if they would like to do that.
- Encourage everyone in the group to allow the group to pray for them.

### PRAYER: PART 3

- Pray for each other to be able to rise up and impact the people around them as Kingdom Men.
